SILENT AUCTION!!

Faculty and participants are invited to donate their work to our SILENT AUCTION. This is a festive way to support NCSW as well as see the impressive depth and range of talent of the artists and craftspeople gathered in our community. Last year the bidding was intense! We all took home some amazing work by old friends and new. **The proceeds benefit future workshops and the NCSW scholarship fund.**

WHEN AND HOW TO DONATE

Before 5PM on Tuesday evening, or at any time during the workshops, bring your donation(s) to the SILENT AUCTION exhibit space upstairs in the Visual and Performing Arts Center (VAPA). The SILENT AUCTION area is next to the Faculty Exhibition. Simply bring your piece(s) to the SILENT AUCTION exhibit space, fill out a donation form (provided at the exhibit) for each piece, and place on one of the tables. Volunteers will be there to help you during registration, but you can easily figure it out on your own at other times during the week. Feel free to donate "just made" piece(s) during the week --anytime prior to Saturday night.

AUCTION HOURS

SILENT AUCTION bidding will begin at the Opening Reception on Tuesday evening and will continue throughout the week. **Bidding will close on Saturday night at 7:30 PM.** During the Studio Walkabout (7:30 – 9:00), staff and volunteers will prepare for payment and pick-up. At 8:30, the payment center will open, and high bidders may pay and collect their pieces. Cash, checks, and credit cards will be accepted.

A cash bar with wine and beer will be available during Silent Auction check-out, beginning at 8:00 and continuing through the after party.

The SILENT AUCTION is open every day during the workshops. Bid on the pieces at any time!

Questions? Contact Jessica Seaton, info@ncsw.org. During the workshops, stop in the NCSW office in the VAPA Building if you have questions.

Artists are responsible for taking their artwork home if not sold at the Silent Auction.

Thank you for your support and your donations to the auction!

TOOLS, SUPPLIES & BOOKS SALE

Cleaning out your studio? In the room with the Silent Auction, there will be a Tools, Supplies and Books Sale table. This is a fundraiser for NCSW. Please bring donations of any new or gently used tools, supplies, and/or books for use in any medium that someone else might want. Please no magazines, and please make sure tools still work. To purchase items, people will pay a small amount to NCSW for any treasures they want to take home.

Here are two Donation Item Forms for your use. More blank forms will be available at the workshops.

Mindful Moving **Tracy Penfield**

These morning and afternoon sessions are open to all NCSW participants and faculty, of any abilities and movement experience. It is possible to participate in a chair. Instructor Tracy Penfield offers a flowing session with elements drawn from her 40 years experience leading dance and yoga. Her sessions are trauma-sensitive.

Tracy's primary goal at NSCW is to help artists release tension from tired muscles and to mindfully engage those muscles in their studio work. Core strength and maintaining open energy currents are a focus. Breath is spirit, and guided imagery for breathing connects the movement of breath to the expression sought in the studio.

Tracy is available by appointment to work with individuals on motion concerns, whether pertinent to their studio work or more general somatic issues. The cost of these private sessions is dependent upon the length and is paid by the individual.

YOU ARE INVITED TO BE A PART OF THE ACTION!

North Country Studio Workshops is possible because of the efforts of volunteers -like you!

Learn more about NCSW and how you can become involved.

The North Country Studio Workshops Planning Committee is responsible for planning and implementing each workshop session. The committee is made up of studio artists, art collectors, and professional businesspeople. Planning is a two-year process from beginning to end. We have the pleasure of designing the program, getting to know the faculty first-hand, spending five days making art, and celebrating together at Bennington for a job well done.

Any day, Tuesday through Saturday, speak to members of the Planning Committee at the designated table in the dining commons, to learn more about volunteer opportunities and about what happens behind the scenes between workshops.

The work of the Planning Committee is collaborative and cooperative and leads to a deep engagement with the organization and with fellow artists. Planning Committee members bring their unique skills to share with NCSW. Together, Planning Committee members think creatively about the organization, learn new skills, and become part of a network of regional artists and craftspeople. Members derive great satisfaction from knowing they have helped produce another exceptional conference that promotes learning and inspires creativity.

If you have questions, please talk to one of our current Planning Committee members.

This is your chance to help shape NCSW for 2025! We hope you will join us!
